Experience

First Year Advisor, Tufts University
Medford, Massachusetts (August 2017 – present)
- Collaborated with other resident advisors to coordinate events and build community among first year students
- Assisted residents in strategizing their academic and social lives at Tufts
- Structured and planning regular educational and social events for residents to attend on the hall and local area
- Supported residents emotionally, socially, and academically 20through regular one-on-one check-ins

Counselor, Boys and Girls Clubs of Metro Atlanta
Danielsville, Georgia (June – August 2017)
- Guided ten club members through an intensive nature education program each week
- Instructed lessons on swimming, fishing, orienteering to campers unfamiliar with these activities
- Organized new, unique programs for each group every week
- Responsible for the campers' well being and security at all times

Lab Teaching Assistant in Computer Science, Tufts University
Medford, Massachusetts (January – May 2017)
- Organized with other Teaching Assistants to offer cohesive help to students in introductory computer science
- Assessed coding problems faced by students in lab and collaborated with students to come to a solution
- Generated grading rubrics weekly with a team of other Teaching Assistants

Photographer, Camp Carolina
Brevard, North Carolina (June-July 2015/2016)
- Documented life of campers in photos for online publication, promotional magazines and marketing
- Worked with a team of photographers to refine and critique work produced
- Communicated with camp directors, owners, and parents to refine content for specific needs of clients
- Took, digitally processed, and published 200-500 photos per day online for camper's parents
